HEARING DOCKET

FEDERAL AVIATION ADMINISTRATION,
Complainant,

vs.

Gateway Air Repair, Inc.

Respondent.

FAA Docket No. _____
Judge _____

FAA 2004-17109-5
CR0450006

**AGENCY'S ANSWERS TO RESPONDENT'S FIRST REQUEST
FOR PRODUCTION OF DOCUMENTS**

COMES NOW the Complainant Agency in the above matter and, in accordance with section 13.220 of the Rules of Practice in FAA Civil Penalty Actions (14 C.F.R. §13.220), submits these answers to Respondent's First Request for Production of Documents received April 7, 2004, as follows:

1. See attached copy of the contents of the Enforcement Investigative Report with the exception of the following. The Agency objects to the production of part of Section A and the entire Section D in that these documents contain attorney-client privileged information and/or attorney work product.
2. The Agency objects to this request for production of documents in that it is overly broad and would be unduely burdonsome upon the Agency. To the extent that the Agency is able to

answer the request it asserts that the only documents provided to the FAA by Maggie Ehrlich and Raul Ham are contained as copies in the answers to question number one.

Respectfully submitted this 7th day of May, 2004.
